Field Trip to Little St. Simons Island

Calling all Cassina members who enjoy a good adventure. Gather fellow members and guests and sign up for the exciting trip to Little St. Simons Island on **Monday, January 12** or **Tuesday, January 13**.

The \$75 cost includes round trip boat transportation, a guided tour and interpretive program and a hearty lunch of Low Country specialties. The boat departs at 10:30 a.m. and returns by 4:30 p.m. The trip is limited to 10-12 people per day. Please contact Field Trip Chair, Catherine Wood for more information and to sign up for the event, 634-8448 or catswood@mindspring.com.

Christmas Tour of Homes A Huge Success

Chair, Claire Jorgensen reports that the 2008 Tour was a tremendous success. In spite of the current economy, Tour sales broke all previous records in the 24-year history. Ticket-sale prize winners were Elizabeth Freyer with 36 and Beverly Nash with 21! More than 155 volunteers served as room hostesses and 29 men worked as parking directors. The Holiday Market, lead by Becky Stephenson and a team of more than 60 members who volunteered in various ways was equally successful. The legendary Bake Sale spearheaded once again by Sue Chambless with donations from 75 members, surpassed their sales goal of \$2,000. Claire, Becky and Sue congratulate and thank the many dedicated members whose hard work really paid off. The estimated profit is over \$19,000!

Cassina Members Decorate Mantels for Festival of Trees

Jennifer Leavy coordinated a Cassina Christmas project to benefit the Boys & Girls Clubs of Glynn County. With the artistic and creative talent of Jennifer, Anne Aspinwall and Betsy Thwaite, two mantels at the Retreat Clubhouse were decorated for the Festival of Trees fundraiser. Cassina was invited to participate in this annual event and these three talented members volunteered to decorate the mantels.

Lee Baxter and Sharon Flores enjoyed sharing additional historical information with the first graders.

Board Notes

To keep the membership better informed about Board actions, we are adding a report from the most recent Board meeting to the monthly newsletter.

The following items were approved at the November and December Board meetings:

- To protect our property, Allgood Pest Control was hired to treat the Cabins and surrounding grounds on a quarterly basis.
- To protect our scrapbooks and other fragile documents, a proposal was made by Historian, Peggy Golden to consider creating the Cassina Garden Club Collection of our papers and designating the Coastal Georgia Historical Society as the repository.
- To help cover the costs of bus transportation to Sea Island, the price of the 2009 Garden Walk ticket will be increased by \$5.00.
- To accept a gift of an 1800's wagon that was offered from the McMillan family contingent on the gift not being entailed.
